Happy New Year! I hope the month of December brought you many happy memories and special times spent with family and friends. My husband and I enjoyed the holidays with our immediate family. Our son and daughter-in-law were in town so the holiday was extra special for us. But now on to the New Year!

There are changes in our Chapter for 2020. We have retired the Newsletter. I'd like to pass on a special THANK YOU to Carolee Blumin who has done a marvelous job with our Newsletter. Going forward, this monthly letter will update everyone on Chapter activities, events and other items of interest. The [Plano ASG website](#) will also continue to house all current information. And, remember our social media presence such as Facebook and Instagram.

To our dismay, Fabrique has closed and many of us will be looking for new places to buy fabric. With that our Neighborhood Group Toujour Couture lost its

home. Thanks to Sew Dallas for giving them a new place to meet!! And, Sew Dallas is contemplating carrying fashion fabric...Woohoo!

Channeling Chanel has changed its name to Beyond Chanel and meets on the third Wednesday of each month. Some of us are finished with our Chanel's, others are still working on them or just starting. We've enjoyed the camaraderie and challenge so much that we are challenging those who have finished their jackets to pick out something challenging for their next project.

The Retreat is sold out unless you'd like to attend for the day only, or you know someone who is registered and willing to room with you. Joining the waitlist is also an option in case something opens up. There is no charge unless you are approved to register.

We have a volunteer opportunity for a Communications Associate. The job requires about 30 minutes a month and includes saving the monthly President's messages to a .pdf file, and then emailing it to our Webmaster and uploading it to the National Site. Please consider taking on this small job to help our Chapter run smoothly.

Our Special Events Team is hard at work planning our social events for 2020. **Lynda Maynard is on the calendar for March 7th.** And stay tuned for other events as they are set.

Terri Baker has been working diligently setting up the **Homegrown Workshops for 2020.** Stay tuned since there are several repeats as well as new ideas in the queue ...activewear, bags, beeswax food wraps, beginning sewing, a doll workshop, a faux fur poncho with matching muff, quilting, tassels and swimwear. Phew! I'm not saying all will be offered in 2020, but knowing Terri, there will be many.

As many of you have heard, the Plano Chapter is the BEST!! I have belonged to three Chapters in the past and I can say without hesitation the Plano Chapter offers the most diversity when it comes to Neighborhood Groups along with the dedication of so many of our members. Check out our calendar...there are 13 to choose from. And for ZOOM you don't even have to leave your home. My goal for 2020 is to visit all the Neighborhood Groups and to meet as many members as possible.

Looking forward to seeing and meeting many of you throughout the year. Have a very happy and healthy New Year.

Happy creating,

Marie
